

Upcoming Courses being offered by the Kincardine Power and Sail Squadron

Boating Course

Registration Tue Sept 13, 2011 at Bruce Power PMC Training Center

Classes Tuesdays 7:00 – 9:30

Sept. 20, 2011 thru mid February, 2012 with Christmas break

Cost: \$180, additional family members \$115

The **BOATING COURSE** exceeds the requirements for the Pleasure Craft Operator Card (PCOC) required for operation of a motorized pleasure craft and provides additional operational and navigational information required on a large body of water such as Lake Huron.

Seamanship Course

Registration Tuesday Sept. 13, 2011 at Bruce Power PMC Training Center

Sessions Thursday 7:00 – 9:00

Sept. 22, 2011 thru November 17, 2011

Cost: \$80

This is a facilitated study group format. The group will meet weekly and a facilitator will lead a review of the week's home work. Seamanship builds on techniques introduced in the Boating Course. This course offers: interpretation of charts, the DR plot, bearings, fixes, running fixes, and Collision Regulations; plus plotting and labeling in True and Magnetic. Seamanship, explains the skills needed to understand the hazards of weather, wind, and waves and how to deal with them in emergencies.

Maritime VHF Radio Operator Course

Monday & Tuesday Lesson – May 7 & 8 2012

Thursday Exam – May 10

7:00 – 9:30 PM at the Bruce Power PMC Training Center

Cost: \$60 Includes Seminar, Materials and Examination.

This course is required for all persons using a VHF radio on their boat.
